SHOW 10:00 A. M.

SALE AT 1:00 P. M.

The cattle in this sale, like the Champion Broadblade, are the top specimens of the breed in Michigan. They have been produced through the use of the best blood in the United States, Great Britain and Canada. The breeders who are consigning to this sale include several who have proven their ability to produce cattle that can win in any competition. It has been my privilege to inspect nearly all of the cattle for this sale, and can say that the bulls are a superior lot from the Breeder's, Showman's, or Farmers' standpoint, and never were there a finer lot of bred and open heifers of such type and quality that are capable of going into herds to add further strength. A better opportunity to secure the blood of top breeding bulls does not exist other than is in this sale. Come to this sale and you will not be disappointed.

# MORE FOR YOUR MONEY . . .

## *Attend This Sale!*

Members of the Michigan Shorthorn Breeders' Association have made great progress in the improvement of their herds, and of the breed in general since they started holding annual shows and sales five years ago. Several splendid imported bulls have been placed at the heads of Michigan herds, and still other bulls that are tops from many of America's greatest herds of Scotch Shorthorns, have been introduced.

The get of these sires have matured and have become champions at such shows as the International Congress and other prominent exhibitions. At the Michigan State College sponsored contest where all breeds compete, Shorthorns have won highest honors four out of five times. This year they won, not only the grand championship over all breeds, but three out of the five tops in interbred competition were Shorthorns, and are closely related to animals that will be sold in this sale.

Ray Peters, Elsie, Michigan, the sale manager, has inspected every animal to be shown and sold in this event, and has accepted only those that are a credit to the breed, that are typy and richly bred and that may be depended upon to raise the standard of cattle in Michigan and other states and provinces.

Study this catalog—then come to the sale. It will be one at which you can get more value for the price that you will have to pay than in other state and regional sales this year.

WILL JOHNSON of The Shorthorn World.
